

Become a
Vashti Advocate
for your church
today.

To be alive together in Christ is to be connected. An advocate from your church can keep our mission connected with your congregation so they may share in Vashti Center's ministry—be it through prayer, love offerings, or mission work. Knowing you are with us in spirit as we labor to bring healing to wounded kids means the world to us! To partner with us, simply complete this form and send or email it to Susan O'Neal.

- ◆ Stay connected with us
