## A Little About Me

Hi, I'm Keyshawn, I've been in foster care most of my life and have been at Vashti longer than most and plan to graduate and stay here to transition into the real world. I love to play basketball and football and am very athletic and would like to have a mentor. Despite the challenges life has given me, I try to keep a positive attitude and keep my faith and eyes looking towards the future. I also love to read and would like to have more books too. Thank you for your kindness.
