

# VASHTI SUNDAY

## February 1, 2026

### PRAYER PROMPTS

*For God's continued guidance over Vashti's mission to foster healing, hope, and transformation for children, families, and communities in Georgia.*

*That every child served by Vashti finds resilient strength and peace through counseling, care, and healing environments.*

*For wisdom and compassion for therapists, mentors, and staff as they support youth through trauma-informed care.*

*That Vashti's residential programs be places of safety, restoration, and belonging for children coming from upheaval.*

*For spiritual growth and encouragement through Vashti's Spiritual Care Program, chaplaincy, and worship opportunities.*

*That God strengthen families and help restore relationships strained by behavioral health challenges.*

*For community leaders and partners working with Vashti to build resilient, healthy communities across Southwest Georgia.*

*That trauma-informed training brings deeper behavioral health understanding to schools, organizations, and caregivers.*

*For volunteers, mentors, and donors — that they be blessed for their generosity and love for vulnerable youth.*

*For the protection and wellbeing of every child in Vashti's care, physically, mentally, and spiritually.*

*For the leadership of Vashti to be guided by faith, integrity, and vision as they plan for the future.*

*For peace and renewal for children who have experienced trauma, that the love of God would be deeply felt in every moment of care.*
